

# ZERO TRUST COACHING

For organizations that seek ongoing guidance and support, our Zero Trust Coaching service provides personalized coaching and consulting from our Zero Trust experts. Zero Trust Coaching lets you benefit directly from our proven methodology that has been a guidance for hundreds of successful Zero Trust implementations.

## THIS IS YOUR ZERO TRUST JOURNEY

Zero Trust enhances the preventive capability of your current controls. It greatly reduces your business risks to the lowest possible level, today and in the future.

The ON2IT Zero Trust Coaching is created to ignite, or, if you have already embarked, mature your Zero Trust journey.

Our internationally recognized Zero Trust experts have years of hands-on experience consulting with organizations across the globe.

Zero Trust Coaching takes an in-depth look at:

- Data Toxicity
- Protect Surfaces
- Zero Trust Architecture
- Controls mapping
- Transaction flows
- Compliances

### If you say no to Zero Trust, what are you saying yes to?

## ZERO TRUST

TIME	DESTINATION	FLIGHT	NO.
11:30	READINESS	TU	4709
12:45	FAST TRACK	UA	6385
14:10	COACHING	JP	8290
15:20	AS A SERVICE	WP	5098

## Personalized Coaching

Our coaching program is tailored to your organization's specific needs and goals, ensuring that you have the support you need to implement and maintain a successful Zero Trust strategy.

We will be your guide one day a month for twelve consecutive months. During this time your staff will be educated and challenged, on-premises or remote, in order to fulfill the Five Step Process in your infrastructure.

## Outcome

After completing the Zero Trust Coaching, you'll be presented with multiple fully defined protect surfaces in our AUXO™ portal, as well as a high level design and implementation plan for these protect surfaces. This plan will be complemented with our best practices and improvement advisories.

# GET STARTED WITH ZERO TRUST

Each organization is looking for different types of guidance when it comes to Zero Trust, depending on their starting point and end goals. The table below indicates the differences between the three ways to get started with Zero Trust.

	ZERO TRUST READINESS	ZERO TRUST FAST TRACK	ZERO TRUST COACHING
<b>Approach</b>	Strategic	Accelerated	Tailored
<b>Focus</b>	Assessment and roadmap	Rapid deployment	Skill development
<b>Engagement</b>	Short term, intensive	Short term, intensive	Long term, ongoing
<b>Expertise</b>	ON2IT professionals	ON2IT professionals	ON2IT professionals
<b>Customization</b>	High	Medium	High
<b>Outcomes</b>	Defined strategy and roadmap	Quick implementation	In-depth knowledge
<b>Deliverables</b>	Detailed assessment report and deployed solution	Deployed solution	Personalized coaching
<b>Ideal for</b>	Organizations in any stage of their Zero Trust journey	Organizations with limited time or resources	Organizations with dedicated security teams

## WHICH ZERO TRUST IMPLEMENTATION APPROACH IS RIGHT FOR YOUR ORGANIZATION?

In order to truly get a headstart with your Zero Trust implementation, a combination of all three of our Zero Trust offerings will be what covers all your bases. Depending on where you find yourself in your Zero Trust journey, we may recommend starting with one specific offering.

Don't hesitate to reach out to us for personalized advice if you want to know which Zero Trust implementation approach is right for you.
